

2014 CECIL SOCCER LEAGUE INDOOR SOCCER REGISTRATION INFORMATION

The **Cecil Soccer League** Recreational Program is geared towards providing a fun, competitive soccer environment for kids. All kids are welcome and CSL strives to make it a positive experience for the players and their families.

All games will be played at the Cecil Arena (Rising Sun, MD) and/or at All Seasons Sports Academy (Elkton, MD) on Saturdays and Sundays. The 8 game season will begin January 4th, 2014.

Socceroos "Games" will be played at All Seasons Sports Academy on Sunday afternoons in hour long sessions geared to make it fun with instruction. During the 1st half hour of the session the players will do some fun drills and games with their coach (the ROOs get breaks whenever they need them). During the 2nd half hour the players will have a "game" against another team; their coaches will be on the field during the game to "referee" and help the players.

All other age groups will play at either All Seasons or the Cecil Arena. Once the teams are set up, schedules will be completed. There are no practices during the Indoor Season unless a coach makes special arrangements with an Indoor facility. All age groups other than Roos will have certified referees calling their games.

Parents/Guardians do have the option to request a particular coach/team <u>during</u> registration but this request **CANNOT BE GUARANTEED**. CSL realizes that there are several benefits for parents/guardians to keep their kids with the same coach/team and will strive to accommodate any request made at the time of registration. PLEASE DO NOT BOMBARD THE LEAGUE WITH YOUR REQUEST TO BE ON A PARTICULAR TEAM, THIS WILL NOT HELP YOUR CHANCES. Coaches are not permitted to submit a "roster" of players that they want on their team, this is a Recreational League and CSL staff will determine the players on each team.

Travel Players are permitted to register and will be placed on teams so as to help balance the skill levels throughout an age group. Travel players must identify themselves when registering to play and will also have their age incremented by one year which may bump them into the next older age group. Players that have the skill and desire to play in the Travel Program will not be allowed to use the Rec Program as a "practice ground". Specifics of the Cecil Soccer Travel Program can be found at; http://www.cecilsoccer.org/about-rep-soccer/.

High School Players; The Cecil Soccer High School Indoor Season will handle registration this season through the same program (Korrio) used with our Recreational Program. In previous seasons teams have formed on their own and then signed up with Cecil Soccer to play during the High School Indoor Season. It was the responsibility of the coach, manager or team captain to provide the payment for the entire team after collecting from individual players.

This year players will have to register individually on the Korrio website and make their payment online directly to Cecil Soccer. During this registration, players will be able to type in which team (usually associated with a high school) they wish to play on. CSL reps will officially form the teams based on what players request and all team information will be available online. Players will have to be registered players in order to play during the Indoor High School League. Click the Register Now button at the bottom of the page to register.

Coaches / Managers must also register if they are interested in coaching or managing a team. There is no cost to register, but the registration process must be completed by prospective coaches/managers so that background checks can be conducted.

Winning is not the #1 goal of the Program and there are no playoffs at the end of the season. Coaches (and parents) are encouraged to teach good sportsmanship, self-reliance, and teamwork. The emphasis should not be on winning, but on team participation and self- improvement in skills, coordination, and strategy. Recreational Programs should always be about fun first while teaching the skills to improve at the game of soccer.

The Cecil Soccer League is made up entirely of volunteers. The Coordinators and the Registrar will select the coaches and build the teams. Any issues that may come up during the season should be addressed with the Coordinators first. The CSL Indoor Program VP along with the VP of the Recreational Program VP and the CSL President will adjudicate any sportsmanship/discipline issue. Specific rules for the Indoor Program can be found at; Indoor Rules
